

A13 – Another 45 miles

G

Here comes the night
A veil over the light
In the distance some shadows of the clouds in the sky
I've got to get home to my child, my wife
Here comes the night
Got to get back, got to get me a ride
It look's like the road is swallowing me up
Got to hurry home
Don't dare to look back, Blueville is straight ahaed

Another 45 miles to go,
Another 45 miles before I'm home
I wish that the sunlight was burning in my eyes
Instead of shades, black faces of the skys
Another 45 miles to go,
Another 45 miles before I'm home
I wish I could pay the sun to run
And I had some more time with my wife my sun

Clouds in the sky
Gathering for a fight
Chasing there prey till they can't go on
I mend my pace because my bride is waiting home
Here comes the night,
I'm scared to death got to get me a ride
It looks like the road is swallowing me up
Got to hurry home
Don't dare to look back, Blueville is straight ahead

Another 45 miles to go,
Another 45 miles before I'm home
I wish that the sunlight was burning in my eyes
Instead of shades, black faces of the skys
Another 45 miles to go,
Another 45 miles before I'm home
I wish I could pay the sun to run
And I had some more time with my wife my sun

Ooh.. Another 45 miles to go
Another 45 miles before I'm home
I wish that the sunlight was burning in my eyes
Instead of shades, black faces of the skys
Another 45 mileees to goo....
